We will collect the U.S.\$2 fee from you for your First-Time Entered whippet(s) on the day of the meet.

If you must register your dog on the day of the meet, bring with you a photocopy of the dog's AKC or CKC registration. Write your dog's call name, your name, address, phone number and email on the photocopy. We will collect the U.S.\$2 FTE fee from you. Dogs not pre-registered or properly registered on the day of the meet, will not be allowed to compete. NO EXCEPTIONS! Proof of registration with the AKC or CKC is required for puppies as well. Proof of litter registration would be acceptable for puppies.

Canada customs requires an up-to-date rabies certificate for each dog and proof of citizenship for each human. Dog food transported from the U.S. into Canada must be in its original packaging in order to be returned to the U.S. Note that as of June 1, humans will require passports to drive over the borders.
